The progressive vision of a Teamsters Local

“The collaborative work of Calloway and Gibbons provides insight into labor at its postwar best and the path we must reclaim today. Total Person Unionism is a wonderful effort to reclaim that ground not only for historians but for all of us committed to economic justice and democracy.”

—Larry Cohen, *Former President, Communications Workers of America*

BOB BUSSEL is a professor of history and director of the Labor Education and Research Center at the University of Oregon. He is the author of *From Harvard to the Ranks of Labor: Powers Hapgood and the American Working Class*.
